Mr. Stroup,

To one of the ~~best~~ craziest teachers I know and had the pleasure of having as a teacher this year. We all know you try to make the class a little more interesting by not teaching only English. Well, I hope you get a few more students like this year in your years to come. Don't do anything someone else would'nt do over the summer.

Have !!!
fun!

Presents

THE U ANNUAL

Time *1972-1973*

Place *Union High School*

Synopsis

The quote "All the world is a stage and all the men and women merely players," explains why the 1972-73 yearbook staff chose drama as its theme. We feel that a play is very comparable to our daily lives at Union. Scenes constantly change day by day with moments of sorrow overshadowed by periods of joy and jubilation. Under the direction of an experienced faculty and administrative staff, each student has a job, no matter how big or small, that will affect the individual life styles that they choose to follow into an adult world. It is the endeavors of each student that constitutes the success or failure of opening night. After tallying the attendance figures and seeing the excellent job done by our actors and production crew, **The U Annual** proved to be a triumph.

Because of such a successful opening night, the yearbook staff would like to extend thanks to all those people who made this event possible. A special thanks is extended to Miss Rita Meister for her encouragement as faculty director, Mr. Bernard Magirl for his assistance not only as yearbook representative but also as photographer, Karen Quaderhas, business manager for her assistance, and to Skip Alrutz and Mike Vosburg for their assistance as student photographers.

We would also like to express our gratitude to the many parents, advertisers, patrons, and friends for their financial support.

As the play closes, we think back on the joys and sorrows that we have experienced throughout our long weeks of practice. We feel however that any emotions displayed are indicative of the pride we have exhibited in producting our drama.

The Audience

An enthusiastic audience is to a good play as an active student body is to a school--people are needed to determine the success or failure of the efforts.

Harvest Ball

The Harvest Ball, sponsored by the Spanish III Club, under the supervision of Mrs. Josephine Pusateri, was held on Friday, November 17, 1972 in the high school lobby.

The lobby, which was decorated with giant scarecrows and other harvest-time symbols set the mood of a colorful autumn evening.

Music was provided by "The Outfit" from 8:30 p.m. to 10:30 p.m.. The door prize, a sterling silver charm engraved Harvest Ball 1972, was won by Bill Dalessandri for his date Sheila Scott. As the evening came to an end, the memory of Harvest Ball 1972 became only a lasting memory.

Council

Leadership development is the prime responsibility of our schools. Training young people in the science of living and working together in a democracy may well be the key to America's survival as a way of life. Young citizens must be given experience in decision-making if they are to meet their challenges. Groups require effective leadership to hold them together and to lead them in the direction they choose to go as they work for common goals and purposes.

Qualities of a good citizen, a good leader, or a good follower are similar. The need for quality leaders has never been greater. The world is dependent upon leaders, free of greed and desire for personal gain, to make the world a place in which people may live as free individuals. Thus demand for a trained citizenry must be met.

Union High School hopes to meet this demand through the Student Council. Student Council offers an opportunity for citizens of a school to learn to lead, to follow, and to direct others.

"The Old South"

The 1972 Junior-Senior Prom, "The Old South," was held on June 2, 1972. The couples entered through an ivy twined trellis and were presented with a small basket of artificial flowers. The murals on the walls portrayed life within a plantation-like setting. The rock group Timothy, who furnished the evening's entertainment, played from the stage which was decorated as a showboat. The throne for the king and queen was set inside an old-fashioned gazebo.

At 10:00 Pam Phillips and Jim Donohue were crowned king and queen and Pam was presented a bouquet of red roses. Trudy Taylor and Carol Jelovich and Rose Mary Quader and Gary Waters were chosen as attendants to the Royal Court. The evening proved to be very enjoyable for all present.

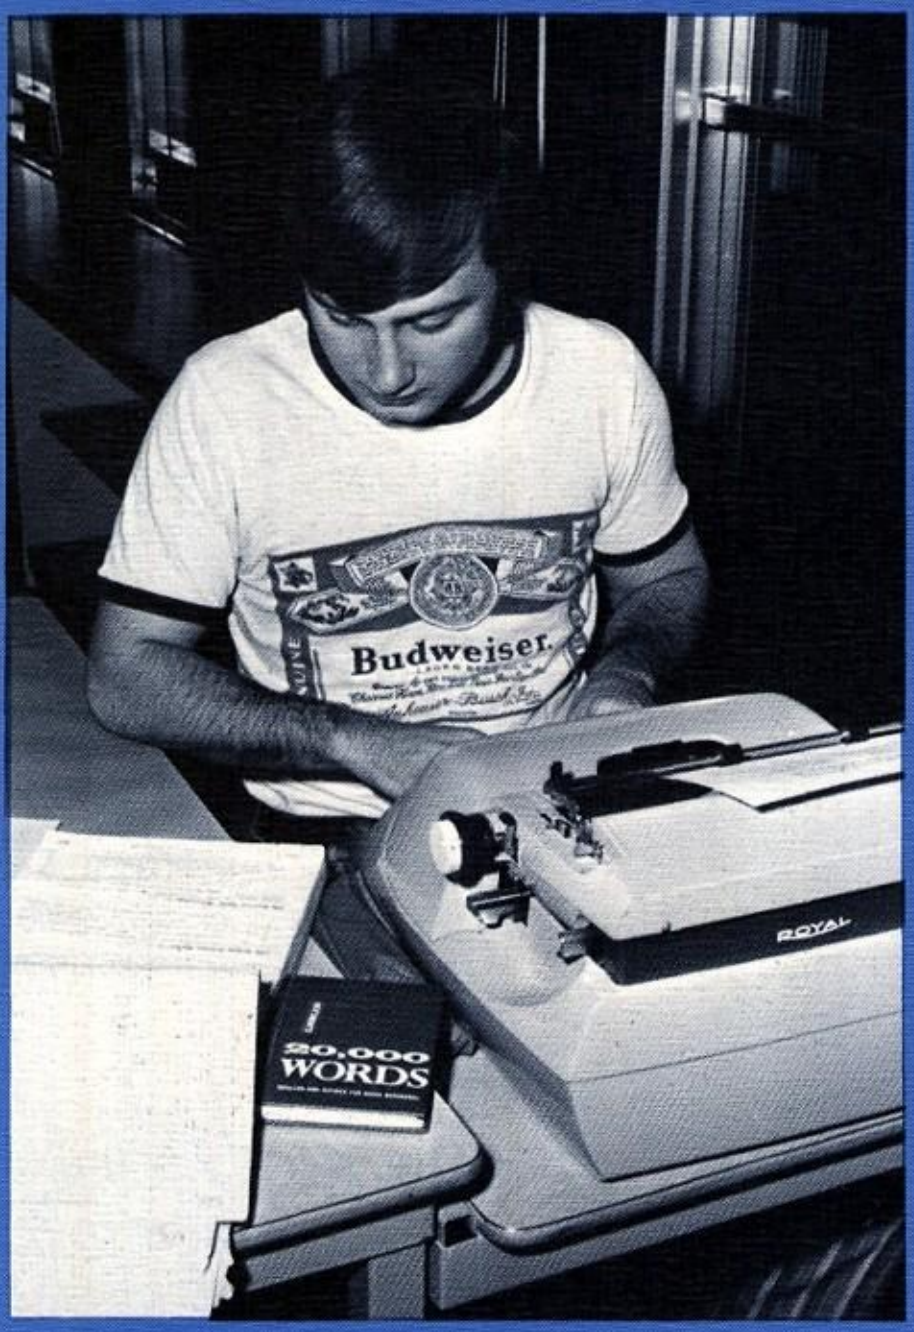
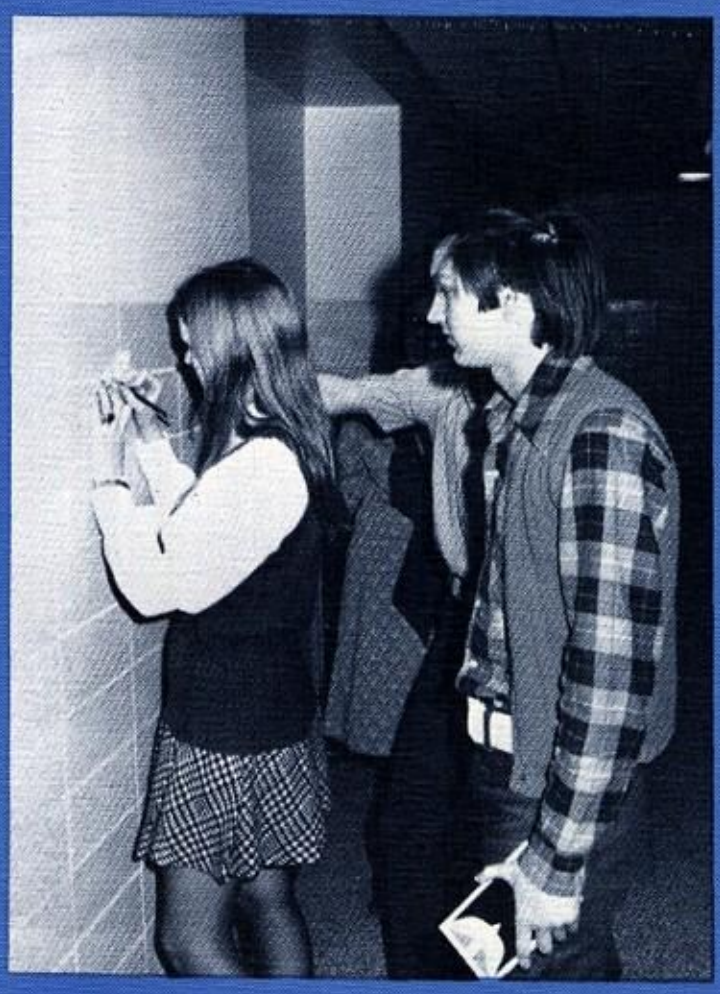
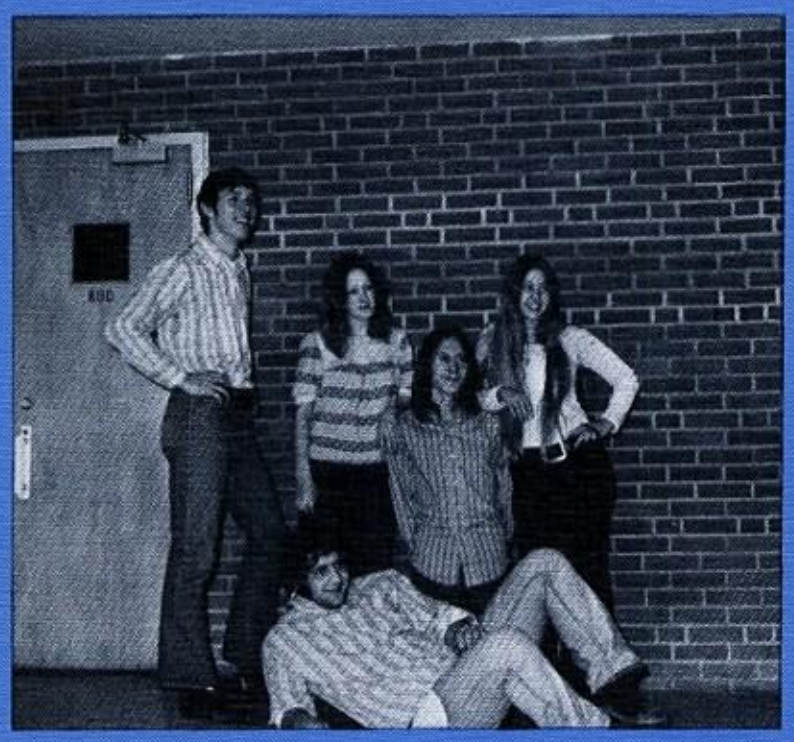
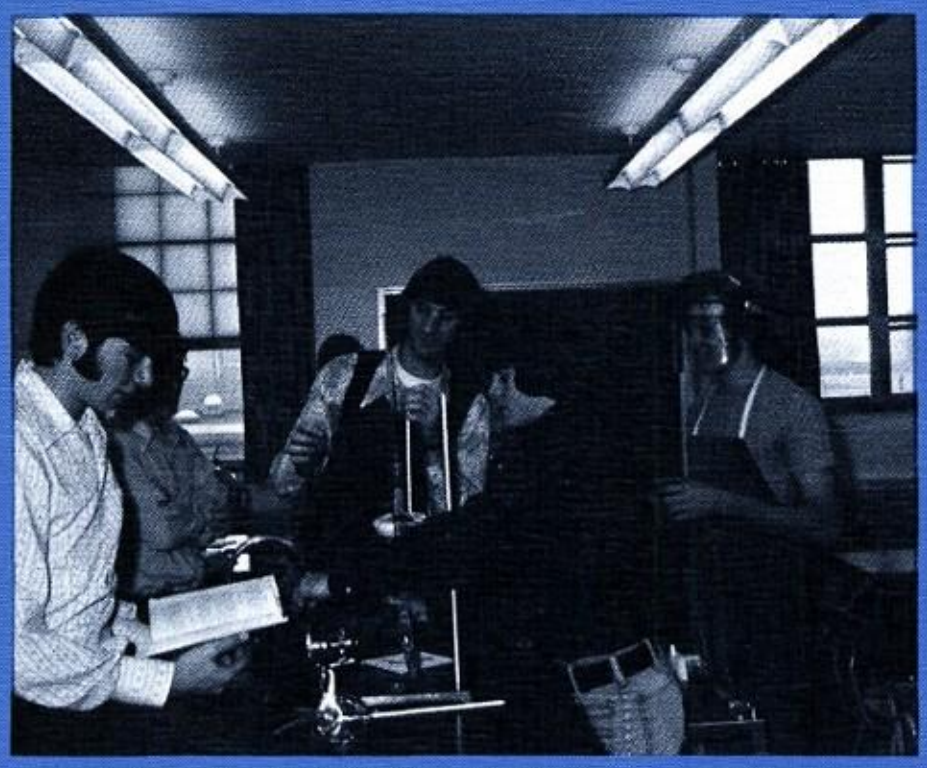
The Leads





Seniors





'On the whole, the disease of higher education in America is that it is over-organized, dehumanized and fairly boring. It deals with problems by turning them into textbook subjects.'

Harold Taylor, **The Ideals of American Youth**

It is our hope that we, the Seniors of '73 have cured a part of this disease by all our actions and aspirations and that Class of '74 will continue our work. It is the Seniors' job to lead their school with examples of maturity, confidence, and self esteem. The Seniors are a needed stimulus to underclassmen by inspiring them to do more than what was done before.

Class History

Mr. Stroup
To my buddy Ray
Mr. Stroup in all
seriousness you're
got to be one of the greatest
teachers here. Not because of your
teaching ability, that's ok. But
I think it's your personality
your friend,
Hulse
"73"

The doorways of Union opened to the Class of '73 in the fall of 1967. Still very fearful of our positions,we elected Susie Howard, President; Linda Petricca, Vice President; and Jackie Roach, Secretary-Treasurer. Mr. Astorina, our class sponsor, helped us in making our class party a great success.

In 1968 we chose Bob Mark, Bruce Ramsey, and Laurie Farnan as President, Vice President, and Secretary-Treasurer. Our class party was enjoyed by all under the leadership of Mr. Patterson. The American Legion Award was given to Deb Porter and Robin Fernandez.

In the fall of 1969 our class made school history by entering a freshmen float entitled the All-American Hot Dog. The class officers were President, Dean Zuccaro; Vice President, Eric Schottenheimer; and Secretary-Treasurer, Robin Fernandez. Our class party under Miss Randolph's supervision was a successful event.

Upon entering senior high, we as sophomores elected Robbie Gilbert, Pat Williams, and Geno Zuccaro as President, Vice President, and Secretary-Treasurer, respectively. Our class party at the park was the best ever with Mrs. Tershel, our sponsor. Our float, Pink Panther, won second prize in the seventh annual Homecoming.

We began our junior year by electing President, Patty Couch; Vice President, Len Mader; Secretary-Treasurer, Sue Malone; and Representative to the Athletic Council, Pat Williams. We received our class rings, which were changed to a different design, for the first time in the summer before our junior year. Our magazine campaign under Mr. Latella's direction was the best in the history of Union. For our Prom theme we chose "A Southern Plantation."

For the final time we elected President, Don Halulko; Vice President, Susie Howard; and Secretary-Treasurer, Marida Faessel. We were led with confident officers producing many results we had hoped for years ago.

Homecoming once again was brought back to normal with the help of our senior class float, "Magical Mystery Tour," which won a second place. We also won the football game against Avonworth. Our Homecoming Court consisted of Robbie Gilbert, Karen Harper, Susie Howard, Audrey Nunez, and Debbie Porter with Pat Couch as our queen.

Mr. Bohn crowned Doris Durain and Don Halulko, Football Queen and King at the Journalism Dance after the Carlyton football game.

Our school spirit was led by the majorettes, Pat Couch, Head, Linda Coffman, Cindy Burns, and Margie Petricca; Devillette heads, Karen Harper and Jackie Roach; also the high spirited cheerleaders, Sue Howard, Head, Michal Bohn, Asst. Head, Deb Porter, Asst. Head, Sue Malone, and Cathy Freeze.

No one could ever write enough words or phrases about our senior year, but everyone will carry enough of the memories to last them forever.

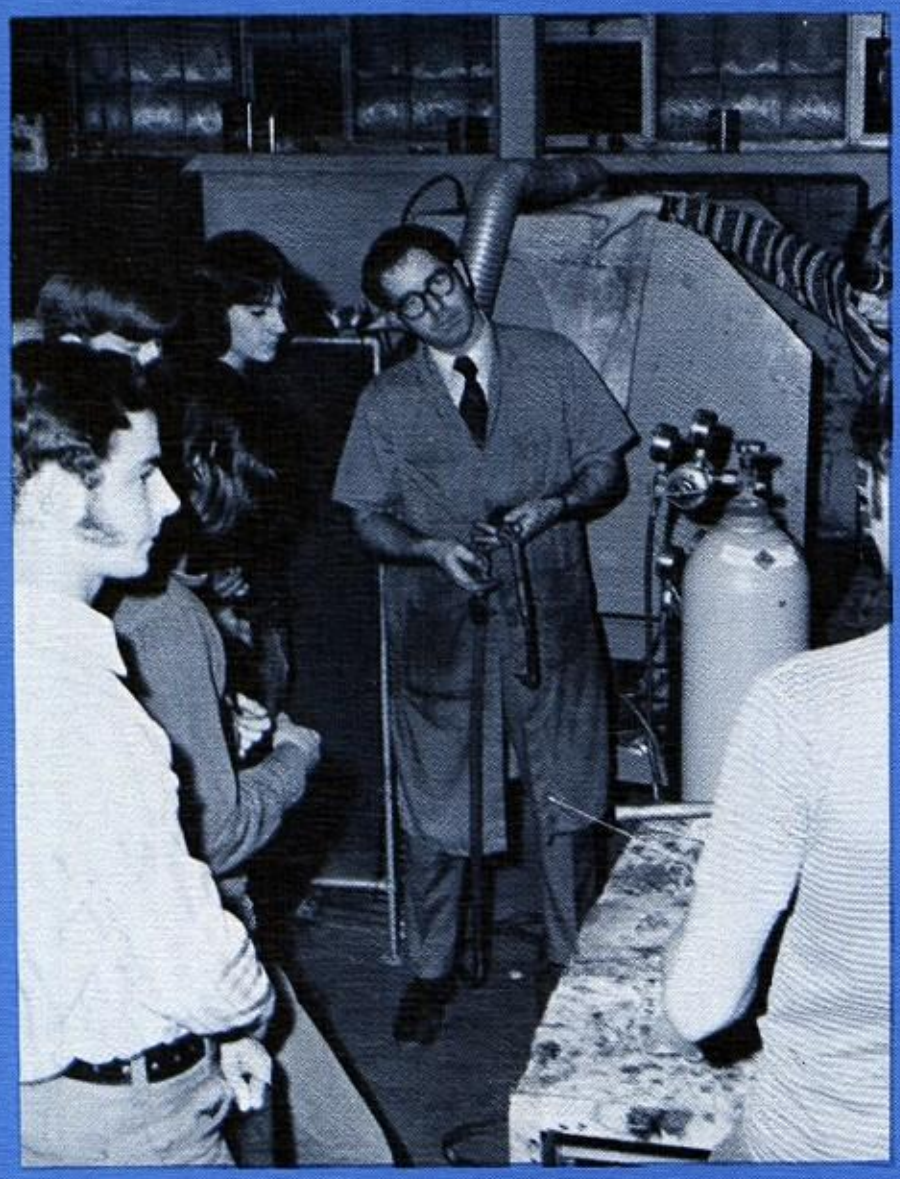
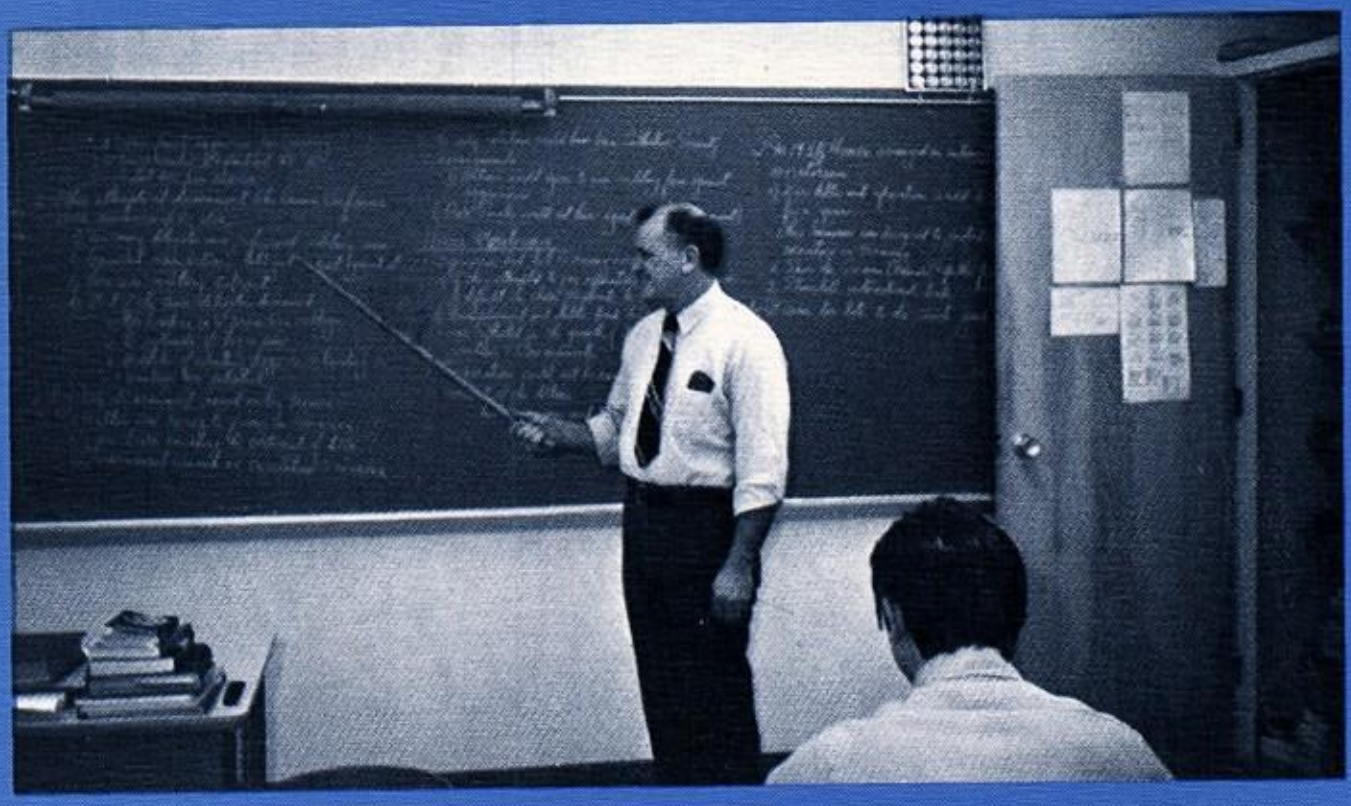
Are We Plugged In?

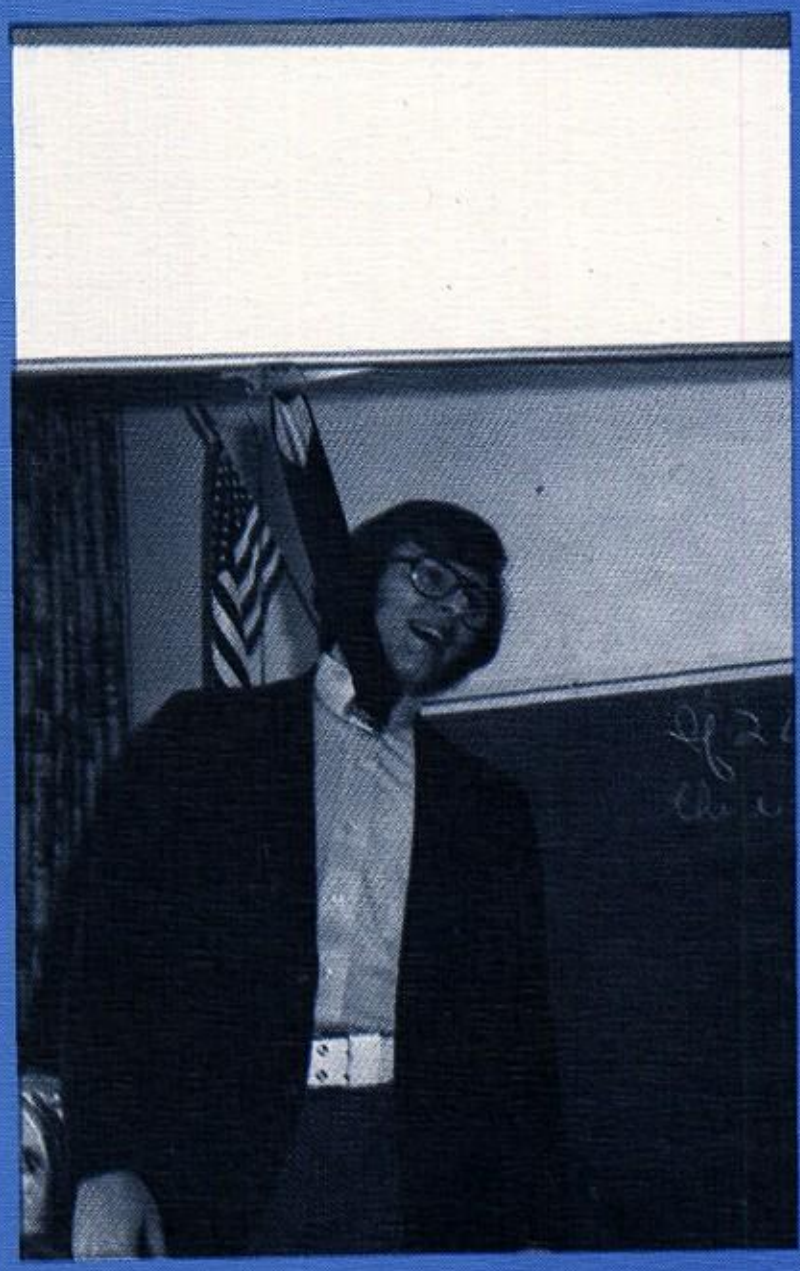


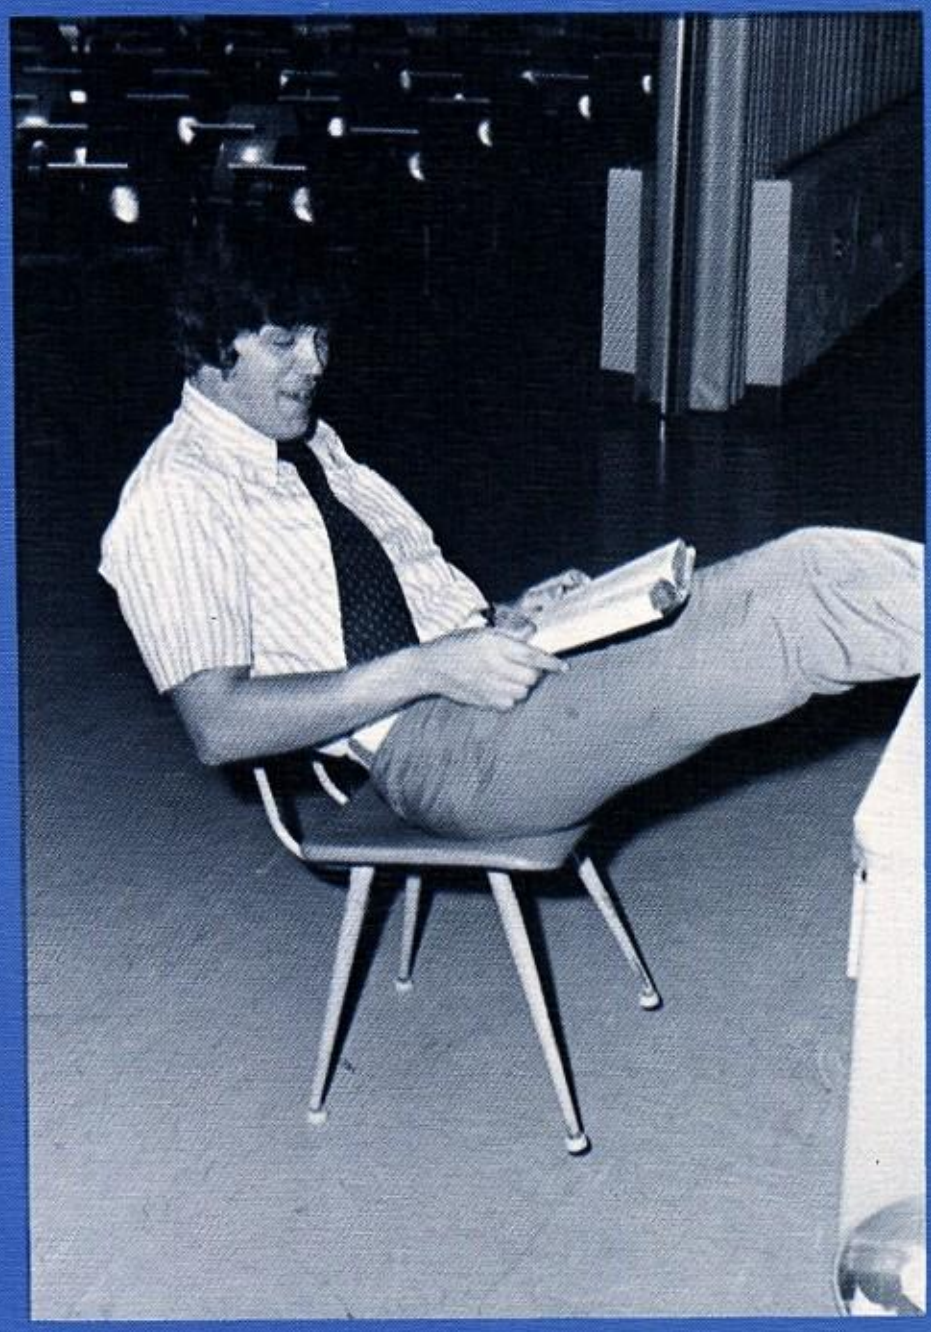
Teachers And Administration

Directors

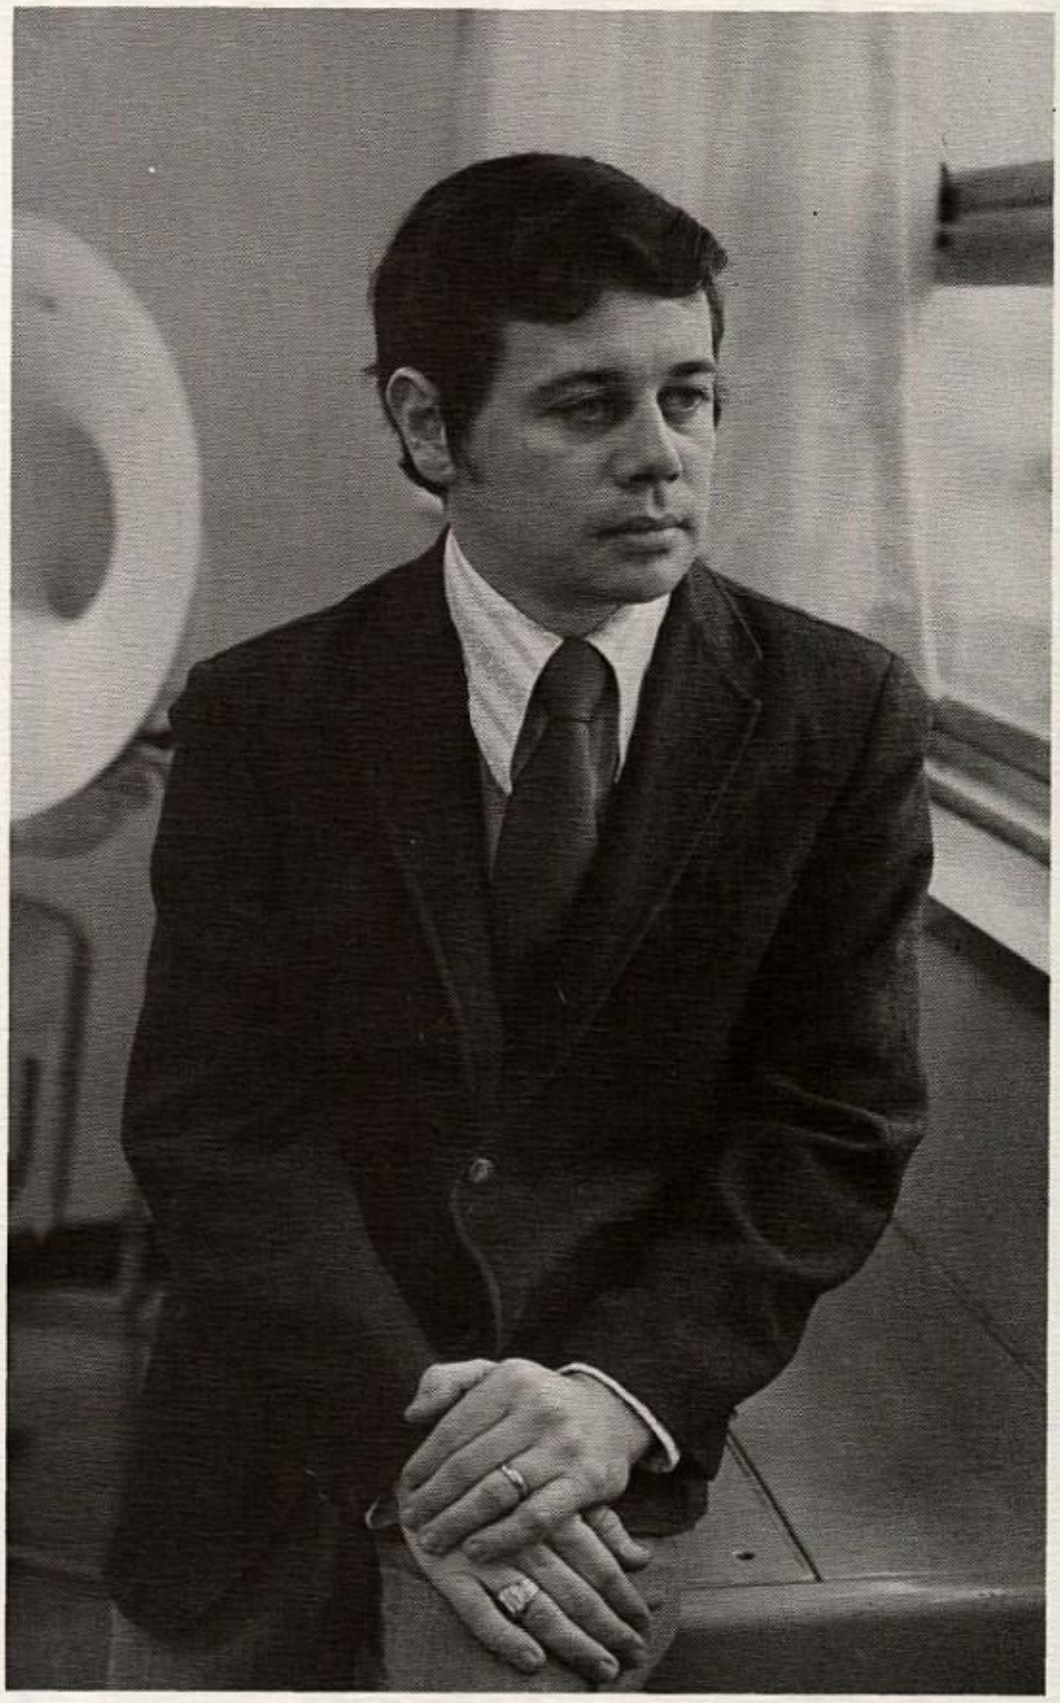
The success of a play largely depends upon the organizing ability of its directors. In similar ways, teachers instruct their students in school classes. By explaining and working out problems with the students, they play a most important part in the learning process.







Dedication



The Union Yearbook Staff of 1973 is pleased to dedicate the U Annual to a highly regarded and talented member of the Union High faculty -- Mr. Regis Fechter.

Mr. Fechter received his Bachelor of Science degree in Music Education and his Master of Education degree in Guidance and Counseling at Duquesne University.

While devoting nine years at Union, Mr. Fechter developed a highly touted instrumental music department. One of the reasons for his success with the senior high band was his recruiting of elementary school students. Along with his knowledge of music, Mr. Fechter also possesses the ability to convey the proper techniques and principles to his students.

After school hours Mr. Fechter teaches privately and plays the saxophone for a professional music group called the Van Dels. He also finds time to spend at home with his wife Sandra and daughters -- Debbie and Diane.

The staff is also quite honored to dedicate this publication to Miss Gina Filipponi, a most deserving faculty member.

Miss Filipponi received her Bachelor of Science degree as well as a Master of Edùcation degree at the University of Pittsburgh where she majored in Business Education.

Since she began her career at Union, Miss Filipponi has accomplished much with her many business students. In her thirty-one years of teaching, she has taught Shorthand I and II, Secretary Office Practice, and has also worked as a guidance counselor. She has also served on the board of the Burgettstown Community Library.

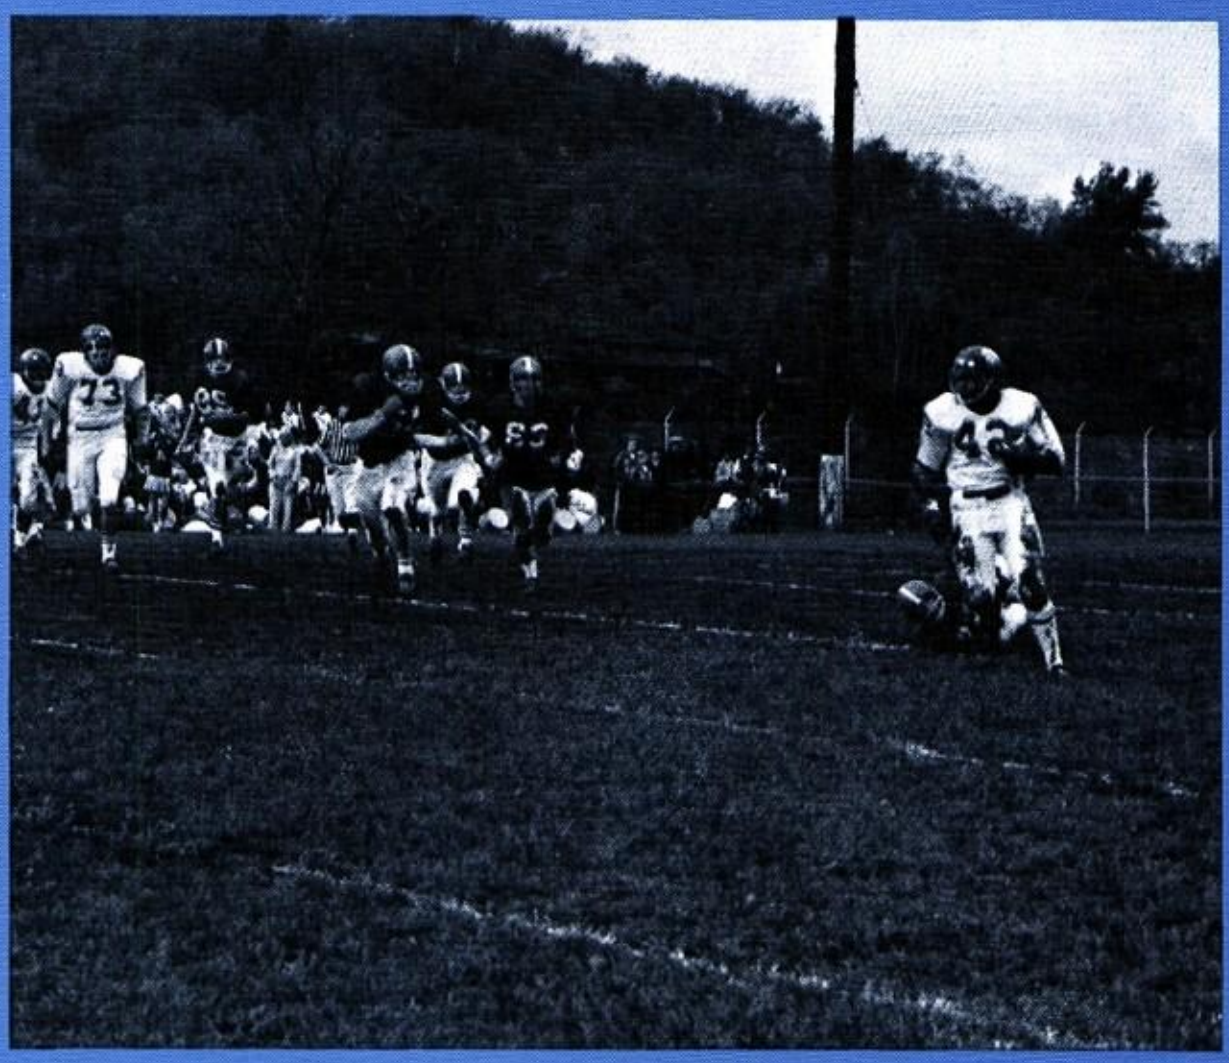
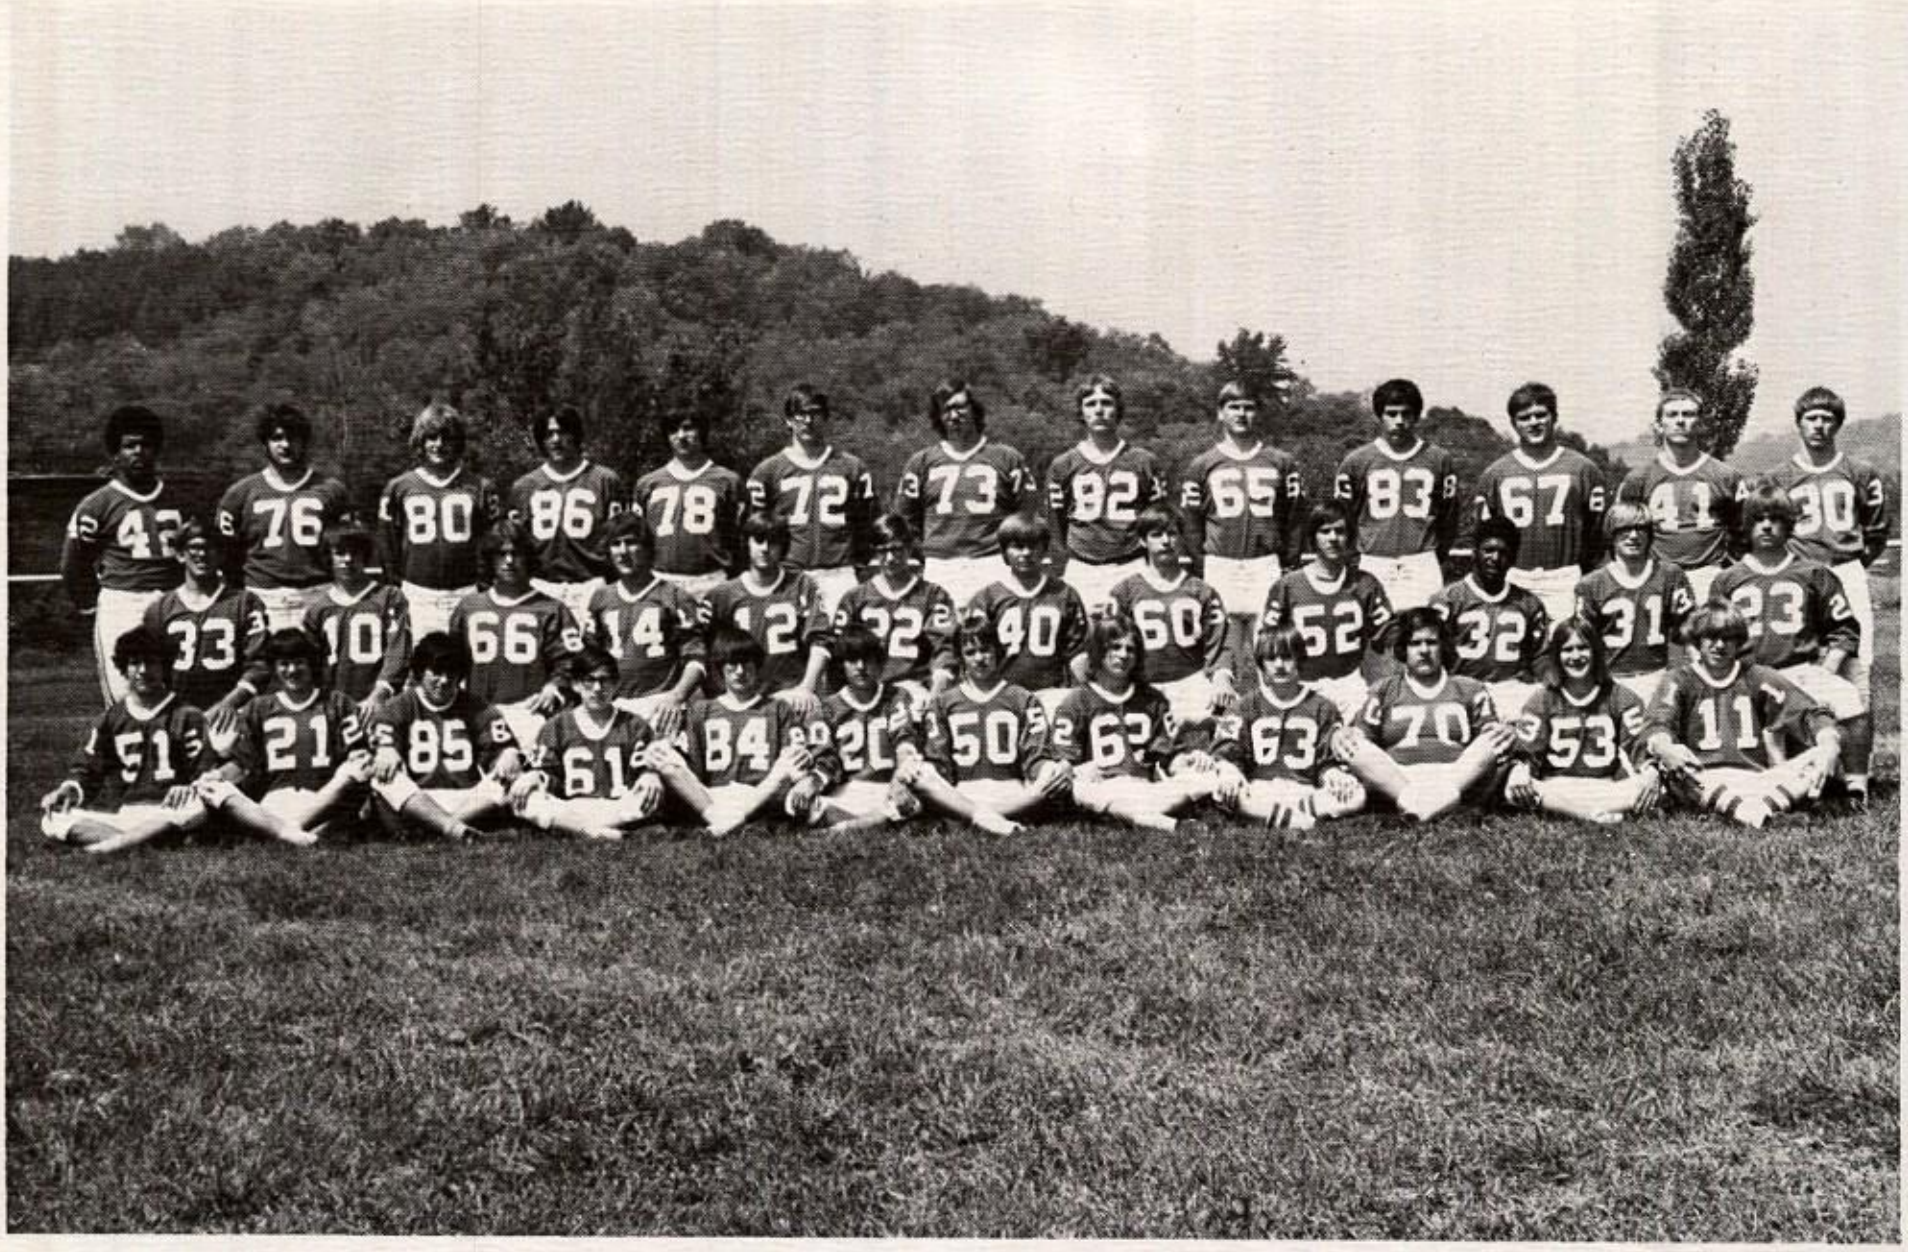
This section is called the stage crew because the sports constantly change scenes throughout the year. They move from Football to Golf to Wrestling to Basketball and finally to Baseball and Track.

Stage Crew



Football



After last year's disappointing season, the Blue Devils bounced back to a 5-4 season. Three Blue Devils were placed on the All-Conference team. They were Sonny Ensminger, Ted Witcher, and John Manni. The outlook for next year appears to be very good as most of the team is returning.

Publicity

The advertisements of a yearbook play a major role in the publication of the book. The publicity of a play adds much to the making of the play. In a sense, they are alike in many ways. For without the publicity, the play would be impossible and without advertisements the yearbook would be impossible. So at this time, we would like to thank all the merchants and patrons, whose generous contributions, made our play possible.

Mr Stroup,
It has been a cool year in your class. I enjoyed every bit of those dirty jokes and purses. See ya hiding next year!

Ray,
(I bet you didn't know I knew your first name!) Remember all the fun we had this year and all the times we (John and I) came up and bothered you ninth and tenth period, and when Kathy and I always bothered you twelfth period and ~~all the trouble we got into. Most of all~~

Mr. Ray,
You told me to be original!
To a real nut...... I think you're one of the coolest S.O.B's in this school. How's it hanging!? Brads helping me write this. I still think you're so ugly that you'd have to sneak up on a ~~s~~ dinner. Stay the way you are and you'll never succeed.

"The world of the theater is a magic realm where humanity has expressed its dreams for countless generations, and in which people of all nations are still finding inspiration, relaxation, and experiences which could not otherwise be a part of their daily lives. Whether it's setting has been the marble columns of ancient Greece, the crude carts of the Middle Ages, the cobbled innyards of Elizabethan England, the ornate picture palaces, or the modern theaters of Broadway—the stage has always had a peculiar fascination for every individual."
